Dear Parent / Student

With your collective and continuous support, our University is successfully carrying out all academic activities during this pandemic. The Institution has conducted the 29th Convocation through virtual mode and distributed the Degree Certificates to all the eligible Graduands. With our timely shift to online pedagogy and the most successful recruitment process, 1204 present final year students are placed in top companies. Student Development Activities, Innovation driven programs, annual events, webinars, orientation sessions, expert talks, alumni meet, project reviews, examinations, evaluations, declaration of end-semester examination results, were all completed on time.

As per the Government guidelines, we have conducted Physical Mode classes with all the covid-19 protocols in place. We would like to extend our sincere thanks for your support in this regard.

Due to the onset of the second wave of pandemic and keeping our students' health in view, we are continuing the classes in online mode. As per the mandate of the Government, all our staff members are vaccinated. We are keen and focused to start the physical mode classes from the month of July 2021.

Regarding the tuition fee payment for the academic year 2021-22, it can also be paid in two equal installments. Parents willing to pay the fee in two installments should pay 50% of the total fee on or before 30th May 2021 and the remaining fee has to be paid on or before 30th November 2021.

We expect your valuable support as in the previous academic years in continuing our best efforts to all our students.
